OBJECTIVE:

I am a Computer Science student eager to secure an internship where I can apply and enhance my skills in software engineering, development, and design. My aim is to translate theoretical knowledge into practical solutions, while also cultivating innovative strategies to address future challenges

STRENGTHS:

- Extensive customer service background, consistently exceeding expectations.
- Demonstrated capacity to foster teamwork and collaborate effectively with colleagues.
- Tenacious problem solver committed to thorough exploration of all possible solutions.
- Committed team player eager to take on additional responsibilities to accomplish objectives.

TECHNICAL SKILLS:

- Java
- HTML
- CSS
- Python

EDUCATION:

Aurora University Aurora, IL

Bachelor of Science in Computer Science May 2025

- Relevant Coursework
 - Object Oriented Programing
 - Object Oriented Design and Development
 - Web Application Development
 - Computer Architecture and Design

WORK EXPERIENCE:

Polo Ralph Lauen Aurora, IL

Sales Associate August 2020 – Present

- Make sales, manage inventory, and process new items.
- Proficient in delivering exceptional customer service, adept at assisting customers in finding products and effectively communicating product unavailability.
- Contributed to various store projects and sales events, actively supporting the company's growth initiatives.
- Earned the trust of all managers, enabling autonomous work with assurance of prompt and efficient task completion.
